

## **Beginning Knitting for Kids with Carlota Cox**

Welcome to Beginning Knitting with Carlota Cox! Each student will learn how to make the knit stitch and the purl stitch. Both stitches are the only two stitches needed to make any project. In addition to the two stitches, students will learn how to begin a project and end a project. Instruction will be given on how to read your stitches and recognize the difference between stitches by sign to develop skills needed to complete more complex patterns.

### **Required Supplies:**

- Medium gage yarn in a light, solid color
- Size 8 Bamboo Clover Circular Needles (not metal) 36" in length
- Needle Caps

*\*\*Class fee does not include any of the above supplies. You are responsible for bringing all items to class.*
