Tradewinds' burgers are back!

By: Miki Lau

Tradewinds is OPEN! While we still need to wait a little longer for the full bar to open, Tradewinds is back with a line-up of 5 burgers. The popular Tradewinds Burger and Mushroom Melt return and join three new additions - a meatless Beyond Burger™ option, a bacon burger and a teri burger!

In a COVID inspired pivot, Tradewinds is currently takeout only with convenient curbside pickup. Check out their menu online, call in your order, pull up to one of their numbered stalls, let them know you've arrived and someone will deliver your order right to your car!

But there's more to the menu than just burgers! Their sandwich offerings include a comforting ham & cheese melt, served on thick sliced Hawaiian bread, dripping with cheese and a chicken bahn mi for those looking for something different.

For those of us that packed on a few of those COVID pounds and are looking for a lighter option, there are a few salads like the wedge, Caesar and house salad to choose from.

As a first for Tradewinds, they are also offering kids meals! Order your WFH assistant or diligent home schooler a kids meal with chicken tenders or a grilled cheese sandwich!

We hope you'll find enjoyment in some of your favorites until we can enjoy drinks on the bar or patio again! 🍷
