

Introduction to Glass

A basic introduction to kiln formed glass. Students will learn how to cut, fuse, and slump sheet glass to create their own functional works of art. In doing so they will learn about the basics of heat and time in relation to glass. By the end of class each student will have at least one plate/platter to take home.

Supply List

- Sheet glass, at least one sheet (can be purchased before second class)
- shoes
- safety glasses (provided)
- glass cutter (provided)
- runners (provided)
