The term deaf can be used in an all-inclusive manner, to include people who may identify as deaf, deaf-blind, deaf-disabled, hard of hearing, late-deafened, and hearing impaired. International Week of the Deaf helps bring awareness to the nuances of the term “deaf” and the many variations of sign languages used globally by the deaf community.

# Respite Care

As a parent, caregiver or guardian of a person with special needs, it is important to ensure that you make time to care for yourself as well. Respite care provides short-term relief for primary caregivers and has flexible options. Care may be provided in the home, a facility, or adult day center. Other optional locations are schools, camps or a volunteer agency.

If eligible, EFMP families may access respite care for children through **Child Care Aware**. Air Force families may contact the Special Needs Coordinator, Kaori Walker at 808-448-6782.

Respite options for **adults with special needs** may be accessed through State programs or non-profit agencies. Payment assistance options can include Tricare Extended Health Care Option (ECHO) or Medicaid Waivers.
