

# Two Day TAP Tracks For You and Your Spouse

## **MY Education:**

Evaluate schools and degree programs, discover funding options, maneuver the admissions process.

**Entrepreneurship:** Launch your own business by learning ownership fundamentals, market research, revenue expectations, funding resources, and services offered for your type of business.

**Vocational:** Explore, identify, and narrow vocational career options that fit your needs, explore training programs, and personalize a plan to achieve your career goals.

**DOL Employment Workshop:** Employer expectations, your transferable skills, education & training, resume writing, veteran's preference, federal jobs, interviewing process.
