

Pottery with Joel Park

Please purchase your **clay** in the ceramics department prior to the start of your class. You will also need to purchase a **basic ceramics tool kit**, available in the Hickam Arts & Crafts Sales Store. For easiest access to the class area please park in the back parking lot of the Arts & Crafts Center and enter through the double glass doors. If you have any questions please call 808-448-9907 x110.
