NOTE: While the majority of listings are legitimate, please be aware that there ARE individuals who do post property listings to scam potential renters/buyers. Remember if it is too good to be true it probably is. Unless you or someone you trust has physically seen a property, do not send personal or financial information to a third party. Always deal locally and in person. Do not wire funds via Western Union, MoneyGram or any other wire service. Contact the Housing Services Center (HSC) at 808-474-1820/1821 if you suspect a scam.
