Frequently Asked Questions

Q: Where do these vehicles come from?

A: Most are left abandoned on Navy or Air Force property. Some vehicles are surrendered via our MWR Clunker Program.

Q: Can I buy any of these vehicles before the auction?

A: No.

Q: Can I work on the vehicle at the auction lot?

A: No.

Q: Can I have the Auto Skills Center work on these vehicles to get them running?

A: No.

Q: Which is row 1?

A: As you walk through the auction lot gate row 1 is to the left against the fence by the telephone poles.

Q: Which cars are in the next auction? When's the next auction?

A: We try to host quarterly auctions, but auctions depend on whether enough vehicles are processed and ready for auction. Auction dates are posted and announced on Great Life Hawaii Facebook page and our website: [https:// jbphh.greatlifehawaii.com](https://jbphh.greatlifehawaii.com)

Q: Will you tell me how much a vehicle sold for?

A: No. Unless you are selected as the winning bidder, the sale price remains secret.

Q: Why can't I see what the current bid is?

A: All bids are secret, and the auction system does not allow for this function.

Q: How do I know if I've won?

A: Highest bidder will be notified the following Monday. See "Highest Bid Notification" on the previous page.

Q: How do I know what to bid if I can't see the current high bid?

A: Bid what you are willing to pay for the vehicle. A higher bid does not necessarily mean the vehicle will be sold at that price. Bids can be declined.

Q: How does bidding work?

A: Bidding is done online. Scan the QR code on the vehicle to access the bid forms. Select the form for that row and fill it out. Choose the correct vehicle from the list. The vehicle number is on the vehicle. Be careful to double check that you are bidding on the correct vehicle.

Q: If I win multiple vehicles, do I have to buy all of them?

A: No.

Q: Where's the fast talking person with the gavel?

A: This is a silent auction. NO auctioneer is present. All bids are taken online via the bid submission form.

Q: How do I get keys for the vehicle?

A: An automotive locksmith or the service center at a dealership. Call around for pricing and availability. Keep in mind, keys/fobs may not be in stock, locksmith/dealer may not be able to program the keys to the vehicle, locks and/or ignition may have been changed – don't always rely on the VIN to cut a key. When programming new keys to the vehicle, always delete the old keys from the vehicle's memory.

Frequently Asked Questions (continued)

Q: Do any of these vehicles run?

A: Some do and some do not. The status and history of the vehicle is unknown. We recommend you inspect vehicles thoroughly.

Q: Are the vehicles unlocked? Can we look inside? Can I open the hood?

A: Vehicles are unlocked. Look around and feel free to inspect the vehicle before you bid.

Q: How long has the vehicle been sitting?

A: If there's a date on the vehicle, that would be the date it was impounded. However, this date does not indicate how long it sat before being impounded.

Q: How many vehicles can I bid on?

A: Participants are welcome to bid on as many vehicles as they want. You can even bid on the same vehicle multiple times.

Q: Why are animals not allowed on the sale lot?

A: Due to prior incidents resulting in injuries, unpredictable behavior, improper cleanup of bodily discharge, and disruption to auction participants, all animals must remain outside the sale lot. Service animals are the only exception.

Q: Why are children under 16 years of age not allowed on the sale lot?

A: Due to prior incidents and safety concerns, children are not authorized on the sale lot – to include in strollers/wagons.
