DISNEYWORLD FLORIDA TICKET RESERVATION POLICY

1. Park attendance will be managed through the Disney Park Pass system, which guests will use to make theme park reservations. To enter a Walt Disney World® theme park, both a valid ticket AND park reservation to the same park on the same date they plan to visit - is REQUIRED for each guest(s) ages 3 and up. A park reservation MUST be made for each day of entry. For multi-day tickets, guests will be required to make a park reservation for each date of their visit. Prior to purchasing a Ticket, the guest should check park availability by visiting https://disneyworld.disney.go.com/availability-calendar/?segments=tickets,resort,passholder&defaultSegment=tickets

2. Immediately after purchasing a Ticket, the guest should visit https://disneyworld.disney.go.com/plan/my-disney-experience/, create a profile (if the guest does not already have a profile), and using the Ticket or confirmation number, link the Ticket to the profile and then make park reservations. We highly recommend that guests make their park reservation as soon as they complete their Ticket purchase, as availability can change until the reservation is finalized.
