

Relocation Tip of the Week – Things Customers Must Know Before Using Defense Personal Property System

To improve your moving experience and streamline the process for those who support it, the Department of Defense (DoD) developed a new program called the Defense Personal Property Program (DP3). This new program focuses on meeting the needs of Armed Forces Members, DoD Civilian Employees and their families by promoting a higher service quality. The backbone of the DP3 is the Defense Personal Property System (DPS) which automates and simplifies your personal property move process.
