Child Care and Education Relocation Resource/Information Highlights

School Liaison Support: Aloha and Welcome to Hawaii! You have orders to a place many people consider paradise on earth, but you still have all the challenges and concerns associated with any change in duty station. One of the primary concerns parents have is regarding the education of their children. **Our School Liaison Office can help!** The School Liaison Officer (SLO) can provide:

- School Transition Support
 - Deployment Support
 - Special Needs System Navigation Support
 - Home School Linkage and Support
- (808) 306-9247 nrhslslo@navy.mil

Home Schooling: The Hawaii Department of Education (HIDOE) recognizes home schooling as a viable and legitimate educational alternative for children. Parents electing to home school their children must inform the DoE of their intent and provide intent and notification by completing DoE Form 4140. For more information, contact your branch school liaison (SLO) or principal of your assigned school. You may also contact the HIDOE Instructional Services Branch (808) 733-9131.

Child Care: Need care from the Joint Base Pearl Harbor Hickam childcare programs? All needing care are required to register using Military Child Care portal. You can search for available care and select types of care and locations at www.militarychildcare.com

Child Development Centers (CDC): The nine CDCs affiliated with JBPHH provide a safe, healthy learning environment for children ages six weeks to five years. All facilities are accredited and adhere to USDA menu planning requirements. Children learn and discover how to explore the world around them. Eligibility is for children of military and DoD families.

School Age Care (SAC) – Two SAC programs operate on JBPHH – one each in Hickam and Catlin Housing areas. Each serves multiple HiDOE schools on and adjacent to JBPHH. Care available before and/or after school, all day on school-out days, breaks & summers. Details available by calling each program.

CDC and SAC locations are listed on Great Life Hawaii.

Child Development Homes (CDH): The CDH program provides high quality childcare through a network of certified home providers living in Joint Base Pearl Harbor Hickam housing areas. Home providers offer childcare for children ages six weeks to 12 years. Provider's offers developmentally appropriate activities in a home setting. Hours are flexible to meet parent's needs. The program includes full time, part time, drop-in, evening, overnight and requested weekend care. Call (808) 471-8658 for more info or go to Military Child Care to register and request care.

Become a CDH Provider! Increase your household income, spend time with your own children and help other military families – all in the comfort of your home! Train in as little as two to three months and as training is a

DoD-wide program, you can easily transfer your training and experience to your next duty station!

ASYMCA: The Armed Services YMCA (ASYMCA) of Hawaii provides a part time Pre-School (ages 3-5 years), Early Learning Readiness Programs (ages 0-3 years), Play Morning/Operation Little Learners (ages 0-3 years), Operation Hero After School Program (grades 2-6) and Children's Waiting Room at Tripler (ages 0-12 years). ASYMCA programs provide affordable, quality social and educational interactions to prepare military dependent children for school and beyond. The ASYMCA is committed to strengthening military families, supporting healthy lifestyles, reducing isolation and linking service member and their families to the community. We have several locations on Oahu including Joint Base Pearl Harbor Hickam, Wheeler/Schofield, MCBH Kaneohe Bay, Aliamanu Military Reservation, and Tripler Medical Center. Exceptional Family Member Program (EFMP)

The Exceptional Family Member Program (EFMP) is designed to assist active duty members and their families with special needs. Those with special needs are identified by physical, mental health and/or educational limitations. EFMP enrollment is mandatory at the time conditions are identified, and therefore will not hurt chances for advancement. Those enrolled in the program will be considered for assignments

that support the needs of the family member that requires specialized services.

Whether you are newly enrolled or new to the community the EFMP Liaison will be able to assist you with information and referral to community services and aide with enrollment process. Please contact your local EFMP Liaison at (808) 474-1999 to make an appointment.

To enroll, Navy families will use Navy Family Accountability and Assessment System (NFAAS), or visit the MTF Coordinator located at Tripler Army Medical Center, (808) 433-9644. Air Force families interested in enrollment should call Hickam Clinic at (808) 448-6782.

NFAAS users initiate enrollment and track progress of their cases. EFMP enrollment is mandatory and required upon identification of a special need. DD Form 2792, Exceptional Family Member Medical and Educational Summary and DD Form 2792-1, Exceptional Family Member Special Education and Early

Intervention Summary are required for enrollment. Successful implementation requires up-to-date information and extensive

coordination between personnel, medical, educational and family support communities.
