Child Education and Child Care

Note from the School Liaison:

Aloha and Welcome to Hawaii! You have orders to a place many people consider paradise on earth, but you still have all the challenges and concerns associated with any change in duty station. One of the primary concerns parents have is regarding the education of their children. **Our School Liaison Office can help!** The School Liaison Office can assist with:

- Enrollment requirements and options
- Which schools service each housing area
- Transition support for families and schools
- Connections to Navy and Air Force support organizations, such as, Military and Family Support Center (MFSC)
- Fostering relationships among school administrations, parents and military commands/organizations

Home Schooling: The Department of Education (DoE) recognizes home schooling as a viable and legitimate educational alternative for children. Parents electing to home school their children must inform the DoE of their intent. Notification is made to the local public school by completing DoE OCISS Form 4140, Exceptions to Compulsory Education, or submitting a letter with a statement of intent to home school. For more information, when you arrive in Hawaii, contact the principal of your assigned school or the DoE Instructional Services Branch (808) 733-9131.

Child Care at Joint Base Pearl

Harbor Hickam: Need child care or a preschool for your infant, toddler, or school age child? Register and search for available care online at www.militarychildcare.com

Child Development Centers (CDC): The nine CDCs around JBPHH provide a safe, healthy learning environment for children ages six weeks to five years where children discover and explore the world around them. Open to children of military and DoD families. View all locations here:

<https://installations.militaryoncesource.com>

School Age Care (SAC) – Two SAC programs operate on JBPHH – one each in Hickam and Catlin Housing areas. Each serves multiple HiDoE schools on and adjacent to JBPHH. Care available before and/or after school, all day on school-out days, breaks & summers. Details available by calling each program.

Child Development Homes (CDH): The CDH program provides high quality childcare through a network of certified home providers living in Joint Base Pearl Harbor Hickam housing areas. Home providers offer child care for children ages six weeks to 12 years. They offer developmentally appropriate activities in a home setting. Hours are flexible to meet parent's needs. The program includes full time, part time, drop-in, evening, overnight and requested weekend care. Call **(808) 471-8658** for more info.

Become a CDH Provider! Increase your household income, spend time with your own children and help other military families – all in the comfort of your home! Train in as little as two to three months and where this is a DoD-wide program, you can easily transfer your training and experience to your next duty station!

ASYMCA: The Armed Services YMCA (ASYMCA) of Hawaii provides a variety of Pre-school Classes (ages 3-5 years), Early Learning Readiness Programs (ages 0-3 years), Play Morning/Operation Little Learners (ages 0-5 years, cost \$3.00 per session), and a Children's Waiting Room Childcare at Tripler (ages 0-12 years). Our school program are part-time 2-3 days a week. They provide all the quality social and educational interactions to prepare your child for Kindergarten. We have several locations on Oahu, at Joint Base Pearl Harbor/Hickam, Wheeler, K-Bay, Aliamanu Military Reservation, and Tripler Medical Center. The ASYMCA is committed to strengthening military families, supporting healthy lifestyles, reducing isolation and linking service member and their families to the community. For more information on ASYMCA call (808) 473-3398, check us out online at www.asymcahi.org or visit us on Facebook!

Exceptional Family Member Program (EFMP)

The Exceptional Family Member Program (EFMP) is designed to assist active duty members and their families with special needs. Those with special needs are identified by physical, mental health and or educational limitations. EFMP enrollment is mandatory at the time conditions are identified, and therefore will not hurt chances for advancement. Those enrolled in the program will be considered for assignments

that support the needs of the family member that requires specialized services.

Whether you are newly enrolled or new to the community the EFMP Liaison will be able to assist you with information and referral to community services and aide with enrollment process. Please contact your local EFMP Liaison at (808) 474-1999 to make an appointment.

To enroll, Navy families will use Navy Family Accountability and Assessment System (NFAAS), or visit the MTF Coordinator located at Tripler Army Medical Center, (808) 433-9644. Air Force families interested in enrollment should call Hickam Clinic at (808) 448-6782.

NFAAS users initiate enrollment and track progress of their cases. EFMP enrollment is mandatory and required upon identification of a special need. DD Form 2792, Exceptional Family Member Medical and Educational Summary and DD Form 2792-1, Exceptional Family Member Special Education and Early Intervention Summary are required for enrollment. Successful implementation requires up-to-date information and extensive coordination between personnel, medical, educational and family support communities.
