

## MFSC Personal Finance 2023 Class Descriptions

**Budgeting Tools:** There's 1,000 ways to budget; learn a variety of tools and find what works for you – and put your money to work toward your goals!

**Car Buying:** Don't get taken for a ride! Learn all the tips and tricks to make buying your next car a financial success.

**CFS Training & Events:** Refer to the CFS Corner for info on training and forums for continuing education.

**Couples & Money:** Everyone has different backgrounds, experiences and beliefs. Figuring out how the money aspect of a relationship works is one of the most important elements of strong couples. Explore your money personality, understand each other's views, and become financially successful together!

**Debt Destroyer:** Learn great tools to navigate your way out of debt while saving time & the cost of interest, and explore behaviors to help you succeed long term.

**Ditching the Dorm:** Moving out of the barracks/dorm? Join for the required financial/budget look as well as great info on moving off base in Hawaii!

**Financial Bootcamp/MDS:** Also known as Million Dollar Service Member; a comprehensive two-day workshop exploring foundational finances, BRS, TSP, Insurance, Saving/Investing, Car Buying and more!

**Holiday Pre-Game - Finances:** Join us in September to pre-game a financially successful holiday season!

**Home Buying:** Whether it's your first time or fourth, make sure you have the most current information and tools to succeed in purchasing your home!

**Mind & Money Matters:** Why do we spend or save the way we do? How do we really view money & how does that impact our financial life? Amazing foundation of knowledge to set yourself up for long-term success!

**Raise Your Credit Score!:** Credit scores impact every aspect of our life. Get a deeper understanding of how your score is calculated, as well as how to repair and raise it.

**Retirement Planning & SBP:** The sooner you start, the easier it is! Take a comprehensive look at what "retirement" – or the ability to stop working when you want – really looks like & chart your path!

**SBP (Survivor Benefit Plan):** Coming up on retirement from active duty? SBP is one of the most critical decisions you'll need to make; join us to gain a full understanding of this benefit and make an informed decision!

**Saving & Investing (Basics) & Art of Investing (Advanced):** Saving & Investing explores risk tolerance, goals, and investing options. Art of Investing explores the technical "how-to" aspects of investing. Offered as consecutive classes on the same day.

**Teens & Money:** Offered in partnership with local high schools to set teens up for success; also available as a training for any group (see the Training Request Form).

**Touchpoints:** MyVector or NSIPS email notice for financial? Have a financial chat as you reach career & personal milestones to focus on your goals and get current info! Courses offered monthly on each milestone.

**Transition Financial Planning:** Offered during the 3-day TAP workshop; explore financial impacts of transition, how to plan successfully, and run your estimates to gain financial peace of mind.

**TSP (Thrift Savings Plan):** It's been a year of significant updates! We'll explore all the foundation knowledge to help you with your TSP decisions, as well as provide the most up-to-date program enhancements.
