

AQUATICS REOPENING GUIDELINES

As we transition into our summer reopening plan at JBPHH Aquatics Facilities, please take note of new policies and procedures we will be implementing to ensure proper social distancing in and out of the water for the safety of our staff and patrons:

1. JBPHH Aquatics facilities will be open to all authorized patrons. Guests are allowed. Sponsors must be present during the swim time.
2. Aquatics facilities will close from 1430-1500 daily for disinfecting.
3. Patrons will be expected to shower before entering the water.
4. Patrons will be able to choose a table or set of lounge chairs. Please do not move tables or lounge chairs as they are set up to encourage social distancing.
5. Navy Youth Swim Tests will be offered. Each child under the age of 18 will be allowed one chance to take the Swim Test the last ten minutes of every hour.
6. Lifejackets will be available for checkout for those who would like to use them. We do encourage you to bring one from home. Please ensure that it is a U.S. Coast Guard approved life jacket. No water wings or other flotation devices.
